GITANA

EXECUTIVE INTERIORS

DEFINING SPACE SINCE 1985

executive office

Gitana elevates the look and feel of any office with its clean and contemporary look. With four available surface and a variety of pull options, this line is easily configured to fit your unique space and style considerations.

SHOWN HERE:
Vertical wardrobe, bowfront desk shell with bridge and credenza, combo lateral storage, hutch with aluminum framed frosted glass doors and tack board. Cherry finish.

open plan workstations

In addition to private office configurations, Gitana casegoods create ideal team set ups, including both side-by-side (shown here) as well as u-shaped, as shown on page 12. Worksurfaces combine with different hutch configurations to create highly functional and customized group work areas.

SHOWN HERE:
Each workstation includes an extended corner desk shell, return shell, suspended pedestal, hutch with wood doors, and tack board. Natural Maple finish.

reception stations

SHOWN HERE:
Bow-front reception desk,
return shell with gallery,
and supporting pedestals.
Cherry finish.

Gitana reception stations welcome your guests with a clean and professional look, while the gallery allows for an ample private work area. Components fit together seamlessly in a variety of configurations, allowing for the most efficient use of space.

conference room

Select from coordinating conference tables and accessories to create accommodating meeting rooms. Our visual board (with cork panels inside the doors) creates an aesthetically pleasing and functional focal point for dynamic group communications.

SHOWN HERE:
Racetrack conference table, two storage cabinets and presentation board. Mahogany finish.

u-shaped open plan

In addition to side-by-side configurations (page 6), Gitana components can easily be configured into u-shaped team environments. Contrasting surfaces and doors add visual interest.

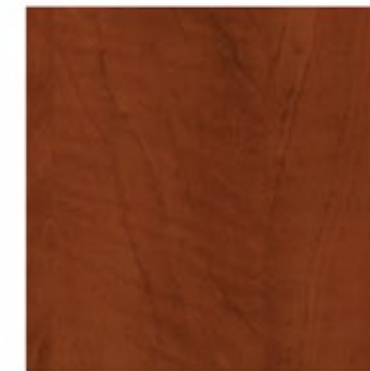

SHOWN HERE:

Each workstation includes an extended corner desk shell, return shell, supporting pedestal and hutch with aluminum framed doors. Espresso finish and white surfaces.
